NOTICE is hereby given that the Pontotoc-Union-Lee Alliance (PUL ALLIANCE) will accept proposals for construction of the project entitled:

PUL ALLIANCE / WATER SUPPLY & WASTEWATER DISPOSAL INFRASTRUCTURE CONTRACT 2- TRANSMISSION LATERAL AND PRESSURE SEWER LINE

on **June 19, 2008, until 10:00 A.M.**, local time, in the Conference Room of the Three Rivers Planning & Development District located at 75 South Main Street, Pontotoc, MS 38863.

Contract documents including the specifications and construction drawings for the project can be obtained from Cook Coggin Engineers, 703 Crossover Road, Tupelo, MS 38801, upon payment of \$250.00 which is not refundable. Proposals will be accepted only from those to whom contract documents have been issued by the Engineer. Contract documents including the specifications and construction drawings are available for viewing at the Mississippi Minority Contractor Association, 1020 Robinson Street, Jackson, Mississippi; the PUL ALLIANCE Board Room, at 75 South Main Street, Pontotoc, MS 38863; and at Cook Coggin Engineers, Inc., 703 Crossover Road, Tupelo, MS 38801.

Principal items of work are approximately as follows:

30,000 Linear Feet of 30" Ductile Iron Water Pipe Line and 30,000 Linear feet of 18" Sewer Line and appurtenant items.

The PUL ALLIANCE strongly encourages the use of Minority and Disadvantaged Business Enterprises in the performance of the work.

The successful PROPOSER should be prepared to furnish bonds and insurance certificates and be able to execute contract documents within 48 hours of contract award. Contract award is anticipated to be made within a short time period following receipt of proposals. It is the intent of the PUL ALLIANCE to award this proposal in the best interest of the entity. The PUL ALLIANCE reserves the right to accept or reject any/or all proposals, to waive any informality in the proposal and to modify the proposal by addenda if deemed necessary.

Each PROPOSER shall furnish to the Owner **satisfactory evidence of competency** to perform the proposed work. Such evidence of competency, unless otherwise specified, shall consist of statements covering the PROPOSER's experience on similar work within the last five years (including a list of past specifically-named projects similar in nature to the one described herein that it has constructed, with dates of completion thereof), a list of company owned equipment that would be available for the work, and a list of key personnel that would be available. This material should be submitted in the same sealed envelope as the proposal, along with the other documents required as part of the proposal.
